SYNOPSIS:

On 08-15-2015 at approximately 0835 hours; Officer Krall #5417 sustained an approximate 3mm scrape to her right thumb while attempting to detain a naked and combative male later identified by a Texas driver's license as [REDACTED]. Officer Krall sustained the scrape by either the handcuffs or a rock during the struggle and handcuffing process of [REDACTED]. [REDACTED] was not following officer's commands and became combative during the contact with officers.

[REDACTED] was screaming and running naked through the north east canyon area of 6900 Genesee Ave. [REDACTED] was taken down by an SDPD K-9 unit (2914N1 PFANNENSTIEL #6506) and taken into custody by officers on scene after an approximate 2 minute struggle to take custody of [REDACTED] while he was combative with officers.

See Officer B. Burris #6324 arrest report for further details regarding [REDACTED] actions and arrest.

[REDACTED] was released to the hospital staff at Scripps La Jolla Hospital for treatment. A notify warrant was filed by Officer Burris.

ORIGIN:

On 08-15-2015 at approximately 0824 hours, Officer Krall and I were dispatched to a radio call for the area of Genesee Avenue and Centurion Square reference a check the welfare for a naked male screaming and running through the area of 6900 Genesee Ave.

INVESTIGATION:

Officer Krall and I arrived on scene at approximately 0830 hours. I saw several SDPD officers standing on the dirt path way at the north eastern corner of Genesee Ave and Centurion Sq attempting to make contact with a subject in the canyon. As I was walking towards the other officers on scene I saw a naked male walking up from the canyon at 6900 Genesee Ave. The naked male was later identified as [REDACTED] (DOB [REDACTED] by his [REDACTED] driver's license.

I took a position on the dirt pathway to the west of [REDACTED]. Officers and a SDPD K-9 unit on scene were giving the [REDACTED] verbal commands to turn around and put his hands behind his back. I heard [REDACTED] male scream "No" very loud. I saw [REDACTED] make a fist with his right hand and tense up his upper body as if he was going to swig his fist at officers on scene.

SAN DIEGO REGIONAL
CRIME/INCIDENT REPORT

The K-9 unit took [REDACTED] down to the ground. Myself and other officers on scene assisted with detaining [REDACTED]. While detaining [REDACTED] he became increasingly combative and was attempting to get his hands away from officers in an attempt to get off the ground. [REDACTED] would not follow officer commands to stop resisting or to place his hands behind his back.

I grabbed [REDACTED] right hand/arm with my hands and I used physical strength to place [REDACTED] right hand behind his back so I could place [REDACTED] in handcuffs. [REDACTED] was screaming and trying to get up off the ground while officers were trying to detain [REDACTED]. Other officers on scene were able to use physical strength to place [REDACTED] left hand behind his back to be handcuffed. As I started to place handcuffs on [REDACTED] he started to pull both his hands away from behind his back and towards the rocky ground. I was able to place one handcuff on [REDACTED] right hand while he was pulling away from me. Officer Krall was one of the officers holding onto [REDACTED] left hand and arm. [REDACTED] pulled his left arm from behind his back and towards his front midsection of his body.

The dirt path had several rocks on it varying in size from the approximate size of a quarter to the approximate size of a baseball. [REDACTED] was able to grab a golf ball sized rock with his right hand when he was pulling his right hand away from me. I removed the rock from [REDACTED] hand. Officer Krall was holding onto [REDACTED] left hand when he pulled it to his front midsection which was lying on the dirt and rocks of the dirt path. Officer Krall was able to pull [REDACTED] left hand out from under him and place it behind his back where Officer Krall was able to assist me in placing [REDACTED] left hand in handcuffs. [REDACTED] was moving his hands to his left side and appeared to be reaching for other rocks on the ground. [REDACTED] was continuously trying to get off the ground and away from officers after he was placed in handcuffs. The handcuffs were initially tight and constrictive due to [REDACTED] resistive actions. I was able to lock the cuffs from becoming tighter, however it wasn't until medics arrival and his placement onto the gurney, was I able to properly and safely reapply and secure the handcuffs in a department approved manner.

[REDACTED] was treated and transported by SDFD fire fighters and paramedics to Scripps La Jolla Hospital for further treatment of his injuries sustained while being combative with officers on scene. See Officer Burris' arrest report for further details. I was in the ambulance with [REDACTED] and paramedics during the transport of [REDACTED] to the hospital.

After [REDACTED] was detained and placed in a San Diego Rural Metro ambulance unit, it was discovered by Officer Krall that she had sustained an approximate 3mm scrape to the knuckle of her right thumb. I took Officer Krall's statement.
